## *Peru Mission Trip*

*It is not too late to go to Peru!*

And where is Peru?

**1st week**  
**June 19 - June 26**  
**in Arequipa**

**2nd week**  
**June 26 - July 3**  
**in Callao (Lima)**

**Go for one week or for both**

**We still need:**

- a doctor or dentist for either one or both weeks..
- a pastor or teacher for the seminary students in Arequipa (1st week)
- VBS workers, musicians, whatever you do.

**A Short Term Mission Trip will change your life forever. Ask God to show you if this is the time.**

## Prayer Requests:

■ That God in His own way will provide the funds  for us, Pedro and Glenda. We are certain that God is putting this trip together and He will send the funds to pay for it. The cost of the trip will be about \$1800 for 2 weeks and \$1600 for 1 week for each person.

■ That God may provide a way for Michael, our son, to go. We really need him as a translator.

■ Pray the other teams members will also have the funds  they need.

■ Pray for the people  in Peru that have asked us to come and work with them that God will provide for their needs and the extra work that comes with our being there.

■ That God may provide some scholarships.

■ For cheaper plane tickets than they are now.

*The price of the airline ticket is much higher than we thought and we may have to add to trip cost if we are not able to get cheaper tickets. We will not buy the tickets until the last week of May or 21 days before.*

*Please pray that we may find a good price for the team. We are looking at some travel agencies in Peru who might have better rates. First we are searching to find out if these agencies are trustworthy.*

**Send a note with the name of the person for whom it is to be designated.**

■ Pray for Peru. One of two voters in Peru lives on less than \$2.00 per day. There is so much corruption from the top officials to the local authorities. The evangelical work has flourished in past few years. And even among the Catholics there is a hunger for God's word. May God continue to keep the doors open.

■ Pray that we as a team will go only with servant hearts to be co-laborers with Christians in Peru to share the gospel and to encourage the saints. May we never go with an attitude "Here we are, we gringos. You need us!"

■ Pray that God would continue to provide our needed monthly support. It has declined since January to about \$1000 short each month. But we are at peace because HE is our Sufficiency.

## Gismondi Family News

Praise God...Pedro survived having surgery. He is still healing but doing well considering. He had difficulty being a patient. NO CANCER!

Glenda has been told she must have knee replacement. She is having serious hip and leg pain as a result of no knee cartilage. After Peru...surgery. She is wearing a brace and will go to Peru with that. Pray the knee holds up.

Our son Mark and wife Tammy are in Idaho teaching. Tammy just finished her master's in English lit. They both have been asked this year to go to international conferences to present their work.

Michael has just returned from Thailand where he taught English for 2 years. He is applying to teach in Japan for the next school year. Pray for God to open the doors for His perfect will for him.

Matt moved to Chicago in April with his job promotion and is happy to be near high school and MBC friends.

Pray for us as we try to have a family reunion this summer with the 4 of-them.
